

LOUIS ST. LAURENT

Catholic Junior/Senior High School

May 7, 2026

Dear LSL Families,

During the month of May, we honor Mary, the Mother of God. It is no surprise that the month of May is dedicated to the Blessed Virgin Mary, the Mother of Jesus —during the month that we celebrate all our moms. We would like to wish each of our LSL mothers and mother figures a very Happy Mother’s Day! May all mothers feel a sense of peace, joy and understanding in the wonder of being a mother.

During the month of April, we partook in events such as Parent Teacher Interviews, the Easter celebration and the Wizard of Oz play. We have recently enjoyed the Skills field trip and the High School Hockey Academy Showcase. We look forward to the Junior High Hockey Academy Showcase, Big Band Night, Braided Journeys Honouring Ceremony, junior high track & field, Spring Concert and Art Show, Graduation Retreat/Mass/Banquet as well as the Spanish Certification Ceremony in the coming weeks. Our students continue to deepen their learning this school year and we appreciate your support.

We remain committed to building a thriving, dynamic school community at LSL with all of our multiple facets, including the Hockey and Soccer Academies, Spanish Bilingual Program, Spark Academy, EAP and AP. We look forward to the upcoming events in the current school year as we plan for the future and all of the opportunities it will afford our students.

May the spring sunshine brighten all our days and enhance our gratitude for life. "So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up" – Galatians 6:9. We continue to be guided by our LSL Mission Statement: to provide a Catholic education that empowers students to model Christ's love for all through integrity, discipline, and excellence. As well, our LSL Vision states that: Our students will model and share Christ’s love as they grow in faith and pursue personal excellence.

Wishing every one of the members of our remarkable community courage, strength, and good health as we approach the end of the 2025-26 school year.
