Catholic Junior/Senior High School

December 1, 2024

Dear Parents/Guardians,

December is a beautiful time to reflect on all that we have to be grateful for. We are grateful to our school community for their ongoing support and patience. Special thanks to our LSL School Council for their approval of an additional Chromebook cart to support our students with greater access to technology. We are people of hope, and this time of waiting reminds us that we are a hope filled people, awaiting the birth of Jesus. Let us continue to work together to support our entire community-students, staff and parents as we gradually move out of 2024 and into the brand-new year!

It was wonderful to celebrate our students' learning in November and to see so many of our families join us for our Parent-Teacher conferences, either virtually or in person. We sincerely thank our families for your partnership and look forward to continued student growth this month. The November review of Our School Plan for Continuous Growth (Year 2) has recently been undertaken and can be found on our school website. This provides a summary of our actions in each of the areas we are focussing on: Living Our Faith, Learning Excellence, Organizational Excellence and Embracing Diversity.

We hope that this season of Advent offers us, families, students and staff, ways to prepare for Christmas with peace and joy so that we are truly ready to celebrate the birth of Christ. May you and yours be blessed with health and happiness. We look forward to students returning from Christmas break on January 6.

Please feel free to contact us with any questions you may have. A reminder of your administrator grade level contacts: Mrs. Sandra Haltiner (grades 7&10) /Mr. Tony Martino (grades 8&11) and Ms. Patrice Koshman (grades 9&12). Many thanks for your ongoing support.

Yours sincerely,

Jackie Flynn, Principal
