

Map to Harry Ainlay Entrances:

- Please use entrances 17 and 18 only (SEE MAP Below)
- The only part of the school that is permitted is the gyms and change rooms at Harry Ainlay
- Please be respectful of classes that are going on.

My name is Tyler Greenslade and I am athletic director at Harry Ainlay High School. As our school is used as a site for games on Friday and Saturday I wanted to pass along a few instructions.

Our school is East of Louis St Laurent and is a brisk 1 minute walk door to door. There is a walkway north of LSL and HA that makes accessing both gymnasium areas really easy. We ask that when your team or spectators are entering our school you use the entrances nearest our gymnasium. They're labeled entrance 17 and 18. I have included a map for your reference. Entrance 18 could be described as a main entrance and is adjacent to a parking lot that is accessible off of 111th street southbound.

As classes are in session on Friday we ask that your teams enter our school at the entrances listed above and remain in the gymnasium before their games and until exiting the school. Staying in the gym helps to mitigate disruptions to classes in our school. You can expect that on Friday our PE classes will be watching your games! We will have seating available for spectators but want to let you know that only Harry Ainlay students are permitted in our building during school hours. We expect to have a livestream available from our large gymnasium ([Livestream Link](#))
