Catholic Junior/Senior High School

Dear LSL Families,

April 13, 2026

As we move fully into the spring season, we are grateful for the energy and engagement that have filled our school community. March was a busy and successful month marked by meaningful learning experiences and many celebrations. Grade 9-11 students participated in course selection and pathway planning, while our Grade 12 students had their handshake photos taken as they prepared for graduation. Grade 8 students enjoyed Hockey Hooky and participated in Father Michael Mireau Youth Day. Families were invited to a parent presentation on adolescent mental health prior to our March School Council meeting, underscoring our commitment to student wellness. Future LSL students explored athletic opportunities through Hockey and Soccer Academy Shadow Days. Our students represented LSL with pride in athletics. Our Varsity Women's Basketball team advanced to the Metro Finals, our Varsity Curling team competed at Provincials, and our Senior Girls Basketball team captured the Division 1 City Championship for the third consecutive year—an outstanding accomplishment.

Returning in April, we came together as a school community to celebrate Easter, reflecting on hope, renewal, and joy. Our student leaders participated in a Student Union Symposium focused on creating communities of belonging, and we were pleased to welcome student union members from Archbishop O'Leary and St. Francis Xavier High Schools for collaboration and shared learning. Congratulations to the recipient of the Lumen Christi Faith Leadership Award, Stephen Dietrich, one of our grade 11 students here at LSL. He was formally recognized by the ECSD Board of Trustees for exemplifying what it means to be an excellent Catholic role model for his peers. Congratulations Stephen! We are looking forward to celebrating student creativity and talent during our upcoming production of *The Wizard of Oz*, running from April 16-18, and we hope many families are able to attend.

We remind families of several important upcoming dates: School Council and Parent Advisory Council will meet on April 14 at 7:00 p.m., Parent-Teacher Interviews will take place on April 23 from 2:30-5:00 p.m. (phone interview is between 6:00-8:30 p.m. (in person)); and April 24 will be a Professional Development Day with no school for students. Thank you for your continued partnership and support. As we approach the final stretch of the school year, we look ahead with excitement and gratitude, wishing you a spring filled with growth, hope, and new beginnings.
