## Welcome to Green and Gold 2024

Welcome to Louis St. Laurent's Green & Gold Classic Varsity Basketball Tournament. We are excited to have you and your team here to participate in what we believe is truly a great basketball event. We are very happy to have some of the greatest 3A basketball programs in the province involved. We hope that you and your team will take advantage of everything our school community has to offer you, and that your involvement in the tournament will allow your team to develop into champions.

I personally am very excited not only because of the quality of teams here, but also because of the quality of the coaches. Your team has been invited because of the program you provide for your athletes, and what you do as a coach. I am looking forward to seeing an excellent level of basketball this weekend.

Please feel free to ask for anything your team may need during the weekend; our school has a multitude of facilities and skilled individuals that will allow your stay to be more fulfilling. Although there may be other tournaments throughout the province that may have more elaborate events, I'm sure that you will find that Louis' warmth and eagerness to please will provide an excellent weekend for you and your team.

Jaret Peel, Tournament Chair

# History of Green and Gold

The Green and Gold Classic is our high school basketball tournament. It used to be held the first weekend students returned to school after the Christmas Break but, in 2016, moved to the third weekend of December.

The Classic began as a Varsity Men's only tournament in 1999. In 2004 the Varsity Women's side of the draw was added and in 2014 the Junior Varsity Men's side of the draw was also added to make this a 24 team tournament!!

The Classic regularly features provincially ranked 3A teams from all around the province. After each match a "Game Star" is presented with a prize and the Tournament MVP's are presented with the trophies.
