

LOUIS ST. LAURENT

Catholic Junior/Senior High School

April 9, 2025

Dear Friends, Families, and Supporters,

We are excited to announce that the Louis St. Laurent Senior High Student's Union is launching a fundraising campaign with a goal of raising \$10,000 in support of the ECSD Foundation. This campaign will run from April 28 to May 28, 2025, and we are calling on our entire school community to help us reach — and even exceed — our goal!

The ECSD Foundation plays a vital role in supporting students across our district, helping provide equitable access to resources, learning opportunities, and student wellness programs. Your support ensures that every student, regardless of background, has the tools they need to succeed.

The LSL Olympics brings together students to compete in athletic, mental and academic games. Bringing together the opportunity of friendship and inclusion. It can be Individual contributions or community sponsorships, every dollar raised will make a lasting impact. Please help to spread the word to family, friends, and local businesses.

Together, we can uplift our community and make a real difference in the lives of students across the district.

Let's reach our \$10,000 goal — and maybe even go beyond it. Thank you for your generosity and continued support.

Warm regards,

Kaylee Karpinski and Sacha Gauchier Student Union Presidents
Ashley Sadler and Carole Carby Student's Union Teacher sponsors.
